

## **DG RFP – REMINDER: Bid Window is Now Open!**

Published Date: 2016-06-23 09:01:23

The Bid Window for the Distributed Generation RFP (“DG RFP”) is open NOW! **All Bids must be submitted** during the bid window **between 8 AM and 12 PM (noon)** Central Prevailing Time and **you must be available by phone** for the cure deficiency period **between 12 PM (noon) and 1 PM** Central Prevailing Time.

**Please use your Bid Form and confidential information for Bid Date.** The Bid Form and your confidential information (**blue background**) were sent to you via secure file transfer on June 21, 2016 by the Procurement Administrator for purposes of submitting your Bids. Your login information and security code are provided in your confidential information.

If you have questions related to your Confidential Information or to the bid submission process, please contact us at 215-568-0200.

The Act requires the Procurement Administrator to notify Bidders that the Procurement Administrator may, in its discretion, enter into post-bid price negotiations with Bidders. The Procurement Administrator has decided that there will be no post-bid negotiations.

---

## **DG RFP – REMINDER: Bid Window TOMORROW 8 AM to 12 PM (NOON) CPT!**

Published Date: 2016-06-22 14:56:23

The Bid Date for the Distributed Generation RFP (“DG RFP”) is TOMORROW, June 23, 2016. **Bids must be submitted** during the bid window **between 8 AM and 12 PM (noon)** Central Prevailing Time tomorrow and **you must be available by phone** for the cure deficiency period **between 12 PM (noon) and 1 PM** Central Prevailing Time tomorrow.

**Please have at hand your Bid Form and confidential information for the Bid Date.** The Bid Form and your confidential information (**blue background**) were sent to you via secure file transfer on June 21, 2016 by the Procurement Administrator for purposes of submitting your Bids tomorrow. Your login information and security code are provided in your confidential information.

If you have questions related to your Confidential Information or to the bid submission process, please contact us at 215-568-0200.

The Act requires the Procurement Administrator to notify Bidders that the Procurement Administrator may, in its discretion, enter into post-bid price negotiations with Bidders. The Procurement Administrator has decided that there will be no post-bid negotiations.

---

## **DG RFP – REMINDER: Training Session TOMORROW!**

Published Date: 2016-06-20 17:28:23

You are invited to participate in a training session **TOMORROW, June 21, 2016** where you can practice all aspects of the bid submission procedure to be used on the Bid Date.

An invitation to this training session was sent to you via secure file transfer on June 3, 2016 along with the Trial Bid Form and Confidential Information. A member of the Procurement Administrator team will set a time with you to answer your questions regarding the completion and encryption of the Bid Form in the time window specified in your invitation. The Procurement Administrator will confirm receipt of your Trial Bid Form and will give you the opportunity to practice submitting Bids by the backup method if you wish.

---

## **DG RFP – ANNOUNCEMENT: Final Budgets for DG RFP**

Published Date: 2016-06-20 17:27:01

In accordance with Section 1.2.5 of the DG RFP Rules, the Procurement Administrator provides below the final Budgets for the Spring 2016 DG RFP:

### **Final Budgets**

<b>Company</b>	<b>Budget</b>
Ameren Illinois Company	\$12,665,468
Commonwealth Edison Company	\$26,482,337
MidAmerican Energy Company	\$401,612 (annual basis)*

\*While the budgets for Ameren Illinois Company and for Commonwealth Edison Company use funds already collected from Alternative Compliance Payments, the budget for MidAmerican Energy Company is from the renewable resources budget and reflects a budget for the first delivery year only. The budget for the procurement of DG RECs for MidAmerican Energy Company for each subsequent year is expected to be calculated annually based on the renewable resource budget for that year.

---

## **DG RFP – ANNOUNCEMENT: Supplier Fee**

Published Date: 2016-06-15 18:15:55

The Supplier Fee for the Spring 2016 DG RFP is **\$11.25 per REC** for the quantity of RECs associated with winning Bids across all Delivery Years.

The Supplier Fee is paid only by suppliers whose bids are approved by the Illinois Commerce Commission.

---

## **DG RFP – REMINDER: Part 2 Proposals Due TODAY at NOON!**

Published Date: 2016-06-15 11:50:06

**Part 2 Proposals for the DG RFP, except for Bids, are due **TODAY, June 15, 2016 by 12PM (noon)**!** If you have not already done so, **you must hit submit before the Part 2 Window closes at 12 PM (noon) CPT.** Bidders use the application website to submit the online Part 2 Form.

You can access the online Part 2 Form using the same login credentials provided to access the online Part 1 Form. Log on [here](#) or select Qualification Forms on the side navigation panel of the [procurement website](#) and choose “[Click here to fill out the DG Form](#)” after entering your login credentials. Bidders are encouraged to submit any documentation or information to complete Part 2 Proposal early for Procurement Administrator’s review.

Please email the Procurement Administrator at [Illinois-RFP@nera.com](mailto:Illinois-RFP@nera.com) if you encounter issues or require assistance with the application website.

---

## **DG RFP – REMINDER: Part 2 Proposals Due TOMORROW, June 15!**

Published Date: 2016-06-14 10:14:13

**Part 2 Proposals for the DG RFP, except for Bids, are due by 12PM (noon) CPT Tomorrow, June 15, 2016.**

Bidders use the application website to submit the online Part 2 Form. You can access the online Part 2 Form using the same login credentials provided to access the online Part 1 Form. Log on [here](#) or select Qualification Forms on the side navigation panel of the [procurement website](#) and choose “[Click here to fill out the DG Form](#)” after entering your login credentials. Bidders are encouraged to submit any documentation or information to complete Part 2 Proposal early for Procurement Administrator’s review.

A Bidder must, with its Part 2 Proposal, submit an IPA Letter of Credit in the amount of \$8 times the number of RECs that the Bidder can win across all systems for the five (5) Delivery Years under the applicable supplier contracts. The IPA Letter of Credit and a document containing acceptable modifications to the IPA Letter of Credit are available in the [Renewable Energy Resources Section](#) of the procurement website.

Please email the Procurement Administrator at [Illinois-RFP@nera.com](mailto:Illinois-RFP@nera.com) if you encounter issues or require assistance with the application website.

## **REC RFP – ANNOUNCEMENT: ICC Has Approved the Results of the Spring 2016 Renewable Energy Resources Procurement Events**

Published Date: 2016-05-10 17:21:17

On Tuesday, May 10, 2016, the Illinois Commerce Commission ("ICC") approved the results of the AIC procurement event, the ComEd procurement event, and the MidAmerican Procurement Event.

In accordance with the Act and ICC Orders, the Procurement Administrator is releasing the information concerning the results of the Spring 2016 Renewable Energy Resources Procurement Events. Please see the [Renewable Energy Resources Section](#) of the procurement website.

---

## **REC RFP – REMINDER: Bid Window is Now Open!**

Published Date: 2016-05-04 11:00:17

The Bid Window for REC RFP is open NOW! All Bids must be received during the Bid Window between **10 AM and 12 PM (noon) Central Prevailing Time.**

Please use the Bid Form sent to you via secure file transfer by the Procurement Administrator for purposes of submitting your Bids. Your login information and security code are provided in your confidential information for the Bid Date (orange background). This confidential information was sent with your Part 1 Notification dated April 18, 2016. Please have this information at hand when submitting your Bids.

### **Multiple Bid Form Submission Instructions:**

The bid form provided to you with your Part 1 Notification has 200 rows. If you require additional rows to submit your bids, you may use a second copy of the bid form provided to you to enter additional bids.

**You must change the filename of the second bid form** by appending “\_Additional” to the end of the filename so that your intent is clear that these bids be in addition to (and not instead of) the first bid form.

If you have questions related to your Confidential Information or to the bid submission process, please contact us at 215-568-0200.

---

## **DG RFP – POSTING: Draft RFP Documents**

Published Date: 2016-05-03 18:44:38

The Procurement Administrator has posted the following draft RFP Documents to the [Renewable Energy Resources Section](#) of the procurement website under the heading “Spring 2016 Distributed Generation DRAFT RFP Documents”:

- DG RFP Rules (DRAFT) (May 3, 2016)
- Appendix 5: Sample Documents (DRAFT) (May 3, 2016)
- Appendix 9: Standard IPA Letter of Credit (DRAFT) (May 3, 2016)
- Sample Identification Worksheet Insert #P1-2 (DRAFT) (May 3, 2016)

The documents posted by the Procurement Administrator are **DRAFT ONLY**. Final RFP documents will be posted to the Renewable Energy Resources Section of the procurement website on May 19, 2016.

---

## **REC RFP – REMINDER: Bid Submission Training Starts Now**

Published Date: 2016-05-02 12:41:17

A training session for the Spring 2016 Renewable Energy Resources Request for Proposals (“REC RFP”) is scheduled for 11AM to 1PM Central Prevailing Time **TODAY, May 2, 2016**. During the session you will be able to practice all aspects of the bid submission procedure that you will use on May 4, 2016.

Please consult the Bid Submission Guide and have the IPA 2016 Bid Form and Confidential Information for Bidder Training on hand during the training session. These materials were provided to you in your Part 1 Notification sent on Monday, April 18, 2016.

**Please contact the Procurement Administrator if you are missing any of the materials for the training session or if you are not able to participate.**

---

## **DG RFP – POSTING: Revised Spring 2016 Procurement Schedule**

Published Date: 2016-04-29 12:30:06

On April 29, 2016, the Procurement Administrator posted a schedule for the Spring 2016 Utility Distributed Generation Request for Proposals (“DG RFP”) with a revised Part 1 Notification Date and Part 2 Date. This schedule can be found on the [Calendar](#) page of the procurement website.

The DG RFP will solicit bids for Renewable Energy Credits from distributed generation (“DG”) resources for Ameren Illinois Company, Commonwealth Edison Company, and MidAmerican Energy Company.

---

## **DG RFP – FINAL REMINDER: Comments on Draft Distributed Generation REC Contract Forms Due TODAY (6PM)**

Published Date: 2016-04-29 10:21:07

The Spring 2016 Distributed Generation Request for Proposals (“DG RFP”) will procure Renewable Energy Credits (“RECs”) from distributed renewable energy generation devices (“DG”) using the already collected funds from alternative compliance payments for the portfolio of Ameren Illinois Company (“AIC”) and the portfolio of Commonwealth Edison Company (“ComEd”), and using the renewable resources budget for the portfolio of MidAmerican Energy Company (“MidAm”).

On April 20, 2016, the Procurement Administrator posted to the procurement website each Company’s draft supplier contract for the procurement of DG RECs. The Procurement Administrator invites interested parties to submit their comments on all draft contract forms.

To submit comments, please visit the [Renewable Energy Resources Section](#) of the procurement website ([www.IPA-energyrfp.com](http://www.IPA-energyrfp.com)) to download:

- the Invitation to Comment;
- the Draft (AIC) DG Renewable Energy Credit Agreement;
- the Draft (ComEd) Master DG REC Purchase and Sale Agreement; and
- the Draft (MidAm) DG Renewable Energy Credit Agreement.

Interested parties submit their comments as tracked changes in Microsoft Word via email and may also provide explanatory notes via email to [Illinois-RFP@nera.com](mailto:Illinois-RFP@nera.com).

The deadline to submit comments is **6PM CPT TODAY, April 29, 2016**.

---

## **REC RFP – ANNOUNCEMENT: Supplier Fee**

Published Date: 2016-04-27 13:31:32

The Supplier Fee for the Spring 2016 Renewable Energy Resources RFP is \$1.35 per REC.

The Supplier Fee is paid only by suppliers whose bids are approved by the Illinois Commerce Commission.

---

## **REC RFP – FINAL REMINDER: Part 2 Proposals due at NOON TODAY!**

Published Date: 2016-04-27 10:37:38

**The deadline for submission of all materials for the Part 2 Proposal, except for your Bids, is TODAY, April 27, 2016 at 12 PM (noon) CPT.**

Bidders use the application website to submit the online Part 2 Form. If you have not already done so, **you must hit submit before the Part 2 Window closes at 12 PM (noon) CPT.** You can access the online Part 2 Form using the same login credentials provided to access the online Part 1 Form.

**The Pre-Bid Letter of Credit for a Company must be delivered directly to that Company.** Full instructions were sent to you on Tuesday, April 19, 2016. Bidders that intend to bid on Products for a Company must use the Standard Pre-Bid Letter of Credit for that Company or include only modifications approved by that Company and posted to the procurement website. Final documents containing acceptable modifications to the Pre-Bid Letters of Credit for each of AIC, ComEd and MidAmerican are available in the [Renewable Energy Resources Section](#) of the procurement website (below each respective standard form for the Company's Pre-Bid Letter of Credit).

Please email the Procurement Administrator at [Illinois-RFP@nera.com](mailto:Illinois-RFP@nera.com) if you encounter issues or require assistance with the application website.

---

## **DG RFP – REMINDER: Comments on Draft Distributed Generation REC Contract Forms Due Friday, April 29 (6PM)**

Published Date: 2016-04-26 20:36:47

The Spring 2016 Distributed Generation Request for Proposals (“DG RFP”) will procure Renewable Energy Credits (“RECs”) from distributed renewable energy generation devices (“DG”) using the already collected funds from alternative compliance payments for the portfolio of Ameren Illinois Company (“AIC”) and the portfolio of Commonwealth Edison Company (“ComEd”), and using the renewable resources budget for the portfolio of MidAmerican Energy Company (“MidAm”).

On April 20, 2016, the Procurement Administrator posted to the procurement website each Company’s draft supplier contract for the procurement of DG RECs. The Procurement Administrator invites interested parties to submit their comments on all draft contract forms.

To submit comments, please visit the [Renewable Energy Resources Section](#) of the procurement website ([www.IPA-energyrfp.com](http://www.IPA-energyrfp.com)) to download:

- the Invitation to Comment;
- the Draft (AIC) DG Renewable Energy Credit Agreement;
- the Draft (ComEd) Master DG REC Purchase and Sale Agreement; and
- the Draft (MidAm) DG Renewable Energy Credit Agreement.

Interested parties submit their comments as tracked changes in Microsoft Word via email and may also provide explanatory notes via email to [Illinois-RFP@nera.com](mailto:Illinois-RFP@nera.com).

The deadline to submit comments is 6PM CPT on **Friday, April 29, 2016**.

---

## **REC RFP – REMINDER: Part 2 Proposals due TOMORROW!**

Published Date: 2016-04-26 14:53:38

**The deadline for submission of all materials for the Part 2 Proposal, except for your Bids, is 12 PM (noon) CPT Wednesday, April 27, 2016.**

Bidders use the application website to submit the online Part 2 Form. You can access the online Part 2 Form using the same login credentials provided to access the online Part 1 Form.

**The Pre-Bid Letter of Credit for a Company must be delivered directly to that Company.** Full instructions were sent to you on Tuesday, April 19, 2016. Bidders that intend to bid on Products for a Company must use the Standard Pre-Bid Letter of Credit for that Company or include only modifications approved by that Company and posted to the procurement website. Final documents containing acceptable modifications to the Pre-Bid Letters of Credit for each of AIC, ComEd and MidAmerican are available in the [Renewable Energy Resources Section](#) of the procurement website (below each respective standard form for the Company's Pre-Bid Letter of Credit).

Please email the Procurement Administrator at [Illinois-RFP@nera.com](mailto:Illinois-RFP@nera.com) if you encounter issues or require assistance with the application website.

---

## **REC RFP – POSTING: List of Acceptable Modifications to the Pre-Bid Letters of Credit**

Published Date: 2016-04-19 11:57:24

The Procurement Administrator has updated and posted the following documents to the [Renewable Energy Resources Section](#) of the procurement website under the heading “Spring 2016 Renewable Energy Resources RFP Documents (FINAL)”.

- Acceptable Modifications to the Standard Pre-Bid Letter of Credit for AIC
  - Acceptable Modifications to the Standard Pre-Bid Letter of Credit for ComEd
  - Acceptable Modifications to the Standard Pre-Bid Letter of Credit for MidAmerican
-

## **REC RFP – FINAL REMINDER: Part 1 Proposals due TODAY, Wednesday, April 13 by 12 PM (noon) CPT!**

Published Date: 2016-04-13 10:09:04

The Spring 2016 Renewable Energy Resources Request for Proposals (“REC RFP”) will procure: (i) renewable energy credits from solar photovoltaic systems (“SRECs”) for Ameren Illinois Company (“AIC”) and Commonwealth Edison Company (“ComEd”) and (ii) renewable energy credits from all eligible renewable sources for MidAmerican Energy Company (“MidAmerican”). **Part 1 Proposals are due by 12 PM (noon) CPT on TODAY, April 13, 2016.**

**RFP documents** and the **FINAL contracts** are posted to the [Renewable Energy Resources Section](#) of the procurement website. Part 1 Proposals consist of the online Part 1 Form and attachments that are uploaded to the application website. If you do not have **an account** for access to the online Part 1 Form, you may request one by clicking [here](#).

## **REC RFP – POSTING: Acceptable Modifications to the Pre-Bid Letters of Credit**

Published Date: 2016-03-29 18:09:45

The Procurement Administrator has posted the following documents to the [Renewable Energy Resources Section](#) of the procurement website under the heading “Spring 2016 Renewable Energy Resources RFP Documents (FINAL)”.

- Acceptable Modifications to the Standard Pre-Bid Letter of Credit for Ameren Illinois Company (“AIC”)
- Acceptable Modifications to the Standard Pre-Bid Letter of Credit for Commonwealth Edison Company (“ComEd”)
- Acceptable Modifications to the Standard Pre-Bid Letter of Credit for MidAmerican Energy Company (“MidAmerican”)

Final documents will be posted at the opening of the Part 2 Window.

---

## **REC RFP – POSTING: RFP Documents**

Published Date: 2016-03-28 21:32:31

The Spring 2016 Renewable Energy Resources Request for Proposals (“REC RFP”) will procure: (i) renewable energy credits from solar photovoltaic systems (“SRECs”) for Ameren Illinois Company and Commonwealth Edison Company and (ii) renewable energy credits from all eligible renewable sources for MidAmerican Energy Company.

The Procurement Administrator has issued the **RFP documents** to the [Renewable Energy Resources Section](#) of the procurement website. These documents are dated March 28, 2016.

The final contract documents for the Spring 2016 REC RFP were previously posted to the procurement website on March 25, 2016.

**STP RFP / REC RFP – FINAL REMINDER: RSVP Now for Webcast TODAY, Monday, March 28**

Published Date: 2016-03-28 15:14:39

A bidder information webcast related to the Spring 2016 Standard Products Request for Proposals (“**STP RFP**”) and the Spring 2016 Renewable Energy Resources RFP (“**REC RFP**”) will be held on today, Monday, March 28, 2016 at 2:30 PM Central / 3:30 PM Eastern, and is open to all prospective bidders. For each RFP, representatives of NERA, the Procurement Administrator, will provide an overview of the RFP Process and Rules including the quantities to be procured and qualification requirements. Time is scheduled for questions.

The **STP RFP** will solicit bids for monthly on-peak and off-peak standard block forward products as well as combinations for Ameren Illinois Company (“AIC”), Commonwealth Edison Company (“ComEd”), and MidAmerican Energy Company (“MidAmerican”). The **REC RFP** will procure: (i) renewable energy credits from solar photovoltaic systems (“SRECs”) for AIC and ComEd and (ii) renewable energy credits from all eligible renewable sources for MidAmerican.

If you wish to participate, **please [RSVP](#) with the number of phone connections needed** so that sufficient ports can be made available. Note, **if you have previously received a confirmation of your RSVP, you do not need to do so again.**

Call-in information and the WebEx link will be provided to respondents on March 28, 2016 prior to the call.

## **REC RFP – REMINDER: Comments on Draft REC Contracts Due TODAY (6PM)**

Published Date: 2016-03-14 16:11:47

The Spring 2016 Renewable Energy Resources RFP (“REC RFP”) will use the renewable resources budget to procure: (i) renewable energy credits from solar photovoltaic systems (“SRECs”) for Ameren Illinois Company (“AIC”) and Commonwealth Edison Company (“ComEd”) and (ii) renewable energy credits (“RECs”) from all eligible renewable sources for MidAmerican Energy Company (“MidAm”).

On March 4, 2016, the Procurement Administrator posted to the procurement website each Company’s draft supplier contract for the procurement of RECs. The Procurement Administrator invites interested parties to submit their comments on the proposed contracts for each of AIC, ComEd and MidAm.

**For AIC and ComEd**, the Procurement Administrator is proposing to use the Spring 2015 renewable energy resources contracts with minor changes. Please note that comments are solicited on proposed changes that have been made relative to the previously used 2015 renewable energy resources contracts only and not on the entire contract. To submit comments for AIC and ComEd, please visit the [Renewable Energy Resources Section](#) of the procurement website ([www.IPA-energyrfp.com](http://www.IPA-energyrfp.com)) to download:

- the Invitation to Comment; and
- the Comment Form to be used for submitting comments.

For AIC and ComEd, interested parties submit their comments using the Comment Form provided.

**For MidAm**, the Procurement Administrator is proposing as the standard contract form the ABA-EMA-ACORE Renewable Energy Certificate Purchase & Sale Agreement with certain modifications and specific terms. Suppliers may submit comments on the draft contract in its entirety. To submit comments for MidAm, please visit the [Renewable Energy Resources Section](#) of the procurement website ([www.IPA-energyrfp.com](http://www.IPA-energyrfp.com)) to download:

- the Invitation to Comment; and
- the Draft (MidAm) REC Agreement in Microsoft Word format.

For MidAm, interested parties submit their comments as tracked changes in Microsoft Word and may also provide explanatory notes to [Illinois-RFP@nera.com](mailto:Illinois-RFP@nera.com).

To facilitate the review by interested parties, the Procurement Administrator has also posted to the procurement website redlines comparing the draft contract for MidAm: (a) with the draft contract for AIC and (b) with the final contract for AIC used in 2015.

The deadline to submit comments is **6PM CPT TODAY, March 14, 2016**.

---

## **REC RFP – REMINDER: Comments on Draft REC Contracts Due Monday Mar. 14 (6PM)**

Published Date: 2016-03-11 14:47:26

The Spring 2016 Renewable Energy Resources RFP (“REC RFP”) will use the renewable resources budget to procure: (i) renewable energy credits from solar photovoltaic systems (“SRECs”) for Ameren Illinois Company (“AIC”) and Commonwealth Edison Company (“ComEd”) and (ii) renewable energy credits (“RECs”) from all eligible renewable sources for MidAmerican Energy Company (“MidAm”).

On March 4, 2016, the Procurement Administrator posted to the procurement website each Company’s draft supplier contract for the procurement of RECs. The Procurement Administrator invites interested parties to submit their comments on the proposed contracts for each of AIC, ComEd and MidAm.

**For AIC and ComEd**, the Procurement Administrator is proposing to use the Spring 2015 renewable energy resources contracts with minor changes. Please note that comments are solicited on proposed changes that have been made relative to the previously used 2015 renewable energy resources contracts only and not on the entire contract. To submit comments for AIC and ComEd, please visit the [Renewable Energy Resources Section](#) of the procurement website ([www.IPA-energyrfp.com](http://www.IPA-energyrfp.com)) to download:

- the Invitation to Comment; and
- the Comment Form to be used for submitting comments.

For AIC and ComEd, interested parties submit their comments using the Comment Form provided.

**For MidAm**, the Procurement Administrator is proposing as the standard contract form the ABA-EMA-ACORE Renewable Energy Certificate Purchase & Sale Agreement with certain modifications and specific terms. Suppliers may submit comments on the draft contract in its entirety. To submit comments for MidAm, please visit the [Renewable Energy Resources Section](#) of the procurement website ([www.IPA-energyrfp.com](http://www.IPA-energyrfp.com)) to download:

## **REC RFP – POSTING: Draft RFP Documents**

Published Date: 2016-03-10 21:57:00

On March 10, 2016, the Procurement Administrator posted the following documents to the [Renewable Energy Resources Section](#) of the procurement website under the heading “Spring 2016 Renewable Energy Resources DRAFT RFP Documents”:

- Spring 2016 RFP Rules (DRAFT) (March 10, 2016)
- Appendix 8: Standard Pre-Bid Letter of Credit for Ameren (DRAFT) (March 10, 2016)
- Appendix 9: Standard Pre-Bid Letter of Credit for ComEd (DRAFT) (March 10, 2016)
- Appendix 10: Standard Pre-Bid Letter of Credit for MidAmerican (DRAFT) (March 10, 2016)

The documents posted by the Procurement Administrator are **DRAFT ONLY**. Final RFP documents will be posted to the Renewable Energy Resources Section of the procurement website on March 28, 2016.

---

## **REC RFP – ANNOUNCEMENT: Invitation to Comment on Draft REC Contracts**

Published Date: 2016-03-04 22:39:23

The Spring 2016 Renewable Energy Resources RFP (“REC RFP”) will use the renewable resources budget to procure: (i) renewable energy credits from solar photovoltaic systems (“SRECs”) for Ameren Illinois Company (“AIC”) and Commonwealth Edison Company (“ComEd”) and (ii) renewable energy credits (“RECs”) from all eligible renewable sources for MidAmerican Energy Company (“MidAm”).

On March 4, 2016, the Procurement Administrator posted to the procurement website each Company’s draft supplier contract for the procurement of RECs. The Procurement Administrator invites interested parties to submit their comments on the proposed contracts for each of AIC, ComEd and MidAm.

**For AIC and ComEd**, the Procurement Administrator is proposing to use the Spring 2015 renewable energy resources contracts with minor changes. Please note that comments are solicited on proposed changes that have been made relative to the previously used 2015 renewable energy resources contracts only and not on the entire contract. ## **REC RFP — ANNOUNCEMENT: Spring 2016 Renewable Energy Credit RFP ("REC RFP")**

Published Date: 2016-02-02 19:42:15

The REC RFP is a Spring 2016 procurement using the renewable resources budget for (i) Solar Renewable Energy Credits ("SRECs") for Ameren Illinois Company d/b/a Ameren Illinois ("Ameren" or "AIC") and Commonwealth Edison Company ("ComEd"); and (ii) Renewable Energy Credits ("RECs") from all renewable sources for MidAmerican Energy Company ("MidAmerican").

The schedule for the REC RFP has been posted to the [Calendar](#) page of the procurement website. Part 1 Proposals are due on April 13, 2016 and Bids are due on May 4, 2016.

Draft supplier contracts (AIC, ComEd, and MidAmerican) are expected to be posted by March 4, 2016. An announcement will be sent to all registrants when these documents are posted.

---

## **DG RFP — ANNOUNCEMENT: Utility Distributed Generation RFP**

Published Date: 2016-02-02 19:37:43

The Spring 2016 Utility Distributed Generation RFP ("DG RFP") is for the procurement of Renewable Energy Credits from distributed generation ("DG") resources using the already collected funds from Alternative Compliance Payments for AIC and ComEd and using the renewable resources budget for MidAmerican.

The schedule for the DG RFP has been posted to the [Calendar](#) page of the procurement website. This schedule is subject to change. Part 1 Proposals are due on May 26, 2016 and Bids are due on June 23, 2016.

Draft supplier contracts are expected to be posted by April 20, 2016. An announcement will be sent to all registrants when these documents are posted.
