2. Certifications:

**THE OFFICER OF THE BIDDER NAMED IN THE PROPOSAL FORM MUST SIGN THE CERTIFICATIONS BELOW.**

I \_\_\_\_\_ [name of the Officer of the Bidder] certify to the following:

1. I understand the terms of the CMC Contract and the Bidder accepts all of the terms of the CMC Contract without modifications;
2. The Bid(s) submitted in the Bid Form are binding until eight (8) business days after the Bid Date and the price for a given delivery year in the Bid will be used to calculate the price per CMC to be paid to the applicable Carbon-free Energy Resource for that delivery year, consistent with the methodology set forth in the Carbon Mitigation Credit Procurement Plan as approved by the Illinois Commerce Commission in ICC Docket No. 21-0718;
3. All information related to each Carbon-free Energy Resource presented in the Proposal and in Appendix B Carbon-free Resource Required Information submitted to the IPA, as such information may have been amended or supplemented in response to a request for information by the IPA, or as such information may have been qualified by the Bidder in the Proposal, is or remains accurate and up-to-date, and will remain so until eight (8) business days after the Bid Date;
4. The Bidder agrees that, if a Carbon-free Energy Resource presented by the Bidder is selected through the CMC RFP and is approved by the Commission, the Bidder will execute the CMC Contract for the Carbon-free Energy Resource with ComEd as instructed by the Procurement Administrator and the Bidder will submit any necessary supporting documentation (if applicable) in the timeframes required by the CMC Contract;
5. The Bidder acknowledges that Supplier Fees, in the amount to be specified by the IPA, must be paid by the Bidder if a Carbon-free Energy Resource presented by the Bidder is selected through the CMC RFP and is approved by the Commission; and
6. The Bidder has no pending or, to its knowledge, threatened litigation, arbitration or administrative proceeding before any Governmental Authority or any arbitrator that is likely to materially adversely affect its ability to perform its obligations under the CMC Contract.

A Bidder may provide below any additional information or explanation regarding the statements 1 through 6, as necessary.

3. Bid:

**For each Carbon-free Energy Resource, please submit a single “Bid”, which consists of five prices in \$/MWh, one price for each delivery year under the CMC Contract. Please also select one of the following Energy Price Indices to be used to calculate the price per CMC to be paid under the CMC Contract:**

- A. the weighted-average hourly day-ahead price for the applicable delivery year at the busbar of all resources procured pursuant to this RFP, weighted by actual production from the resources; or**
- B. the projected energy price for the PJM Interconnection, LLC Northern Illinois Hub for the applicable delivery year.**

**Bid Requirements:**

- For each Bid, a price must be provided for each delivery year, for a total of five prices.
- Each price must be in \$/MWh and must be rounded to the nearest cent.
- Only one Bid may be submitted for each Carbon-free Energy Resource.
- The price for a given delivery year must be less than or equal to a customer protection cap equal to the Baseline Cost, defined in section (d-10)(2) of the IPA Act, for that delivery year. The Baseline Costs for each delivery year are the following: (i) \$30.30/MWh for the delivery year beginning June 1, 2022; (ii) \$32.50/MWh for the delivery year beginning June 1, 2023; (iii) \$33.43/MWh for the delivery year beginning June 1, 2024; (iv) \$33.50/MWh for the delivery year beginning June 1, 2025; and (v) \$34.50/MWh for the delivery year beginning June 1, 2026.
