

## Appendix 5 - Confidentiality Statement

I \_\_\_\_\_ {name of person}, am employed by \_\_\_\_\_ {name of employer}.

I will be considering, reviewing and evaluating responses from Proponents pursuant to the Coal to Solar and Energy Storage Initiative Procurement (“C2S Procurement”). In this capacity, I sign below and hereby acknowledge and understand the confidentiality provisions of the Procurement Rules. Consistent with those Procurement Rules, I agree to take all reasonable precautions to ensure that all data and information supplied by all Proponents, Sellers and Owners are maintained in confidence and not disclosed to individuals other than those that have signed this, or a substantially similar, Confidentiality Statement.

A list of signatories of this Confidentiality Statement is maintained by the Procurement Administrator and available to all signatories and to Proponents upon request.

If any data or information supplied by a Proponent, Seller or Owner is disclosed publicly by that Proponent itself or by that Seller itself or by that Owner itself or by the Illinois Commerce Commission, such information will cease to be confidential.
