

15 December 2022 Indexed Renewable Energy Credit Procurement Results

In accordance with Section 16-111.5(h) of the Illinois Public Utilities Act, the following information is made public at the time of Commission approval of a procurement event under the Indexed REC Procurement: (i) the names of successful bidders; (ii) the average of the winning bid prices for each contract type and contract duration; (iii) the address and nameplate capacity of the new renewable energy generating facility; and (iv) the business address and contact information for each successful bidder. These are provided below. There were no winning utility-scale wind projects in the Fall 2022 Indexed REC RFP.

Successful Suppliers and Selected Projects.

Supplier Name, business address and contact information	Address of Selected Project	Type and Nameplate Capacity (in MW AC rating)	Average Winning Bid Price (\$/MWh)
